

TOXIC LEADER VS BRAVE LEADER

TOXIC LEADER

Just figure it out, it's your problem.

BRAVE LEADER

Let's work through this together.

TOXIC LEADER

You should feel lucky to have
a job in this economy.

BRAVE LEADER

I appreciate what you're doing
and how you're doing it.

TOXIC LEADER

Don't answer back.

BRAVE LEADER

Let's find a way to move
though disagreement
together.

TOXIC LEADER

Just do what you're told.

BRAVE LEADER

I value your input so let's
discuss it together and then
decide.

TOXIC LEADER

I don't have time for your
issues.

BRAVE LEADER

Let me carve some time out
for you.

TOXIC LEADER

Maybe you're just not suited to this role.

BRAVE LEADER

Talk to me about what's happening in your world.

TOXIC LEADER

Dont pay attention to what
they say, they're useless.

BRAVE LEADER

Debate the idea, not the
person.

TOXIC LEADER

It's just not up to standard.
Do it again.

BRAVE LEADER

Let me explain which bits I
liked, and which bits we can
develop further.

TOXIC LEADER

Why are you asking me?

BRAVE LEADER

How can I support you on this?

TOXIC LEADER

Just deal with it.

BRAVE LEADER

What do you think the best approach is?

TOXIC LEADER

That's above your pay grade.

BRAVE LEADER

Let me share with you what I
can to help you understand.

TOXIC LEADER

You've done it wrong. You'll
take the blame.

BRAVE LEADER

Let's work this out and face it
together.

TOXIC LEADER

I don't pay you to think.

BRAVE LEADER

I want you to think consciously
and do it on purpose.

TOXIC LEADER

I don't have time to explain everything, just get it done.

BRAVE LEADER

I'll make time to explain if you can trust me for the moment.

TOXIC LEADER

Do not do it without asking me first.

BRAVE LEADER

I want you to make a well formed, well informed decision.
